LOANLINER HOME EQUITY PLAN SUMMARY

Thank you for your interest in our Loanliner Home Equity Plan. The terms of this plan are described below.

1. THE LINE OF CREDIT

You are applying for a 2nd mortgage line of credit using your home as collateral. If you have an existing mortgage on your home, and the Loanliner Home Equity application is approved, the LONG ISLAND STATE EMPLOYEES FEDERAL CREDIT UNION will be the 2nd mortgagee holder on your residence. If your first mortgage is paid in full, we will be the 1st mortgagee holder on your residence. The property must be either a house or a condominium and must be your primary place of residence. The maximum line of credit for which you may apply is calculated as follows:

Multiply the appraised value of your home by 70%. Subtract the balance owed on your first mortgage. You may borrow this amount, or \$150,000 whichever is less.

2. MAXIMUM LENGTH OF LOAN

You may take up to 15 years to repay. Since the interest you pay is calculated on the unpaid balance, the faster you repay the loan, the less interest you will pay. There are no prepayment penalties!

3. MAXIMUM LENGTH OF MORTGAGE.....25 years
The last advance can be made at the end of10 years

4. MAXIMUM LINE OF CREDIT.....\$150,000.00

5. MINIMUM INITIAL ADVANCE.....\$5,000.00

6. MINIMUM SUBSEQUENT ADVANCE(S).....\$1,000.00

7. INTEREST RATES

Interest rates may change on the first day of each calendar quarter. The interest rate is "indexed" to the prime rate published in the Wall Street Journal on the last day of the previous calendar quarter. Thereafter, the home equity loan is a variable rate loan with the interest rate set at one of the following based on your credit score and history:

- 2.00% Above Prime
- 1.00% Above Prime
- Equal to Prime

8. MINIMUM RATE- The minimum annual percentage rate that can apply is 4%.

9. MAXIMUM RATE

The interest rate you are charged under this plan will never be greater than the maximum rate permitted by the Federal Credit Union Act, currently 18%.

10. PAYMENTS

Payments will be re-computed monthly to insure that the new balance will be repaid over 15 years. Payments may change from time to time depending upon the indexed interest rate.
