## LISEFCU Would Like to Thank You, Our Members, for Your Continued Support.

On June 26th we uploaded a video to our website which featured some of our members and the kind words they shared about LISEFCU. If you haven't viewed it, be sure to watch it and hear what your fellow members had to say about us! We hosted a member appreciation celebration on the day of the video launch where cookies and good times were shared by all.

The video is part of our continuing effort to give our members the best online experience we can. We are always striving to bring our members the best experience both online and in person. You can access our monthly newsletters, see our loan promotions and rates, and check for any upcoming events. Online banking enables you to see your monthly statements, keep track of your balances, and set up email alerts.
