Phishing Scam Tips

Avoid clicking suspicious links

If an email pressures you to click a link – whether it’s to verify your login credentials or make a payment, you can be sure it’s a scam. Credit Unions never ask you to do that. It’s best to avoid clicking links in an email. Before you click, hover over the link to reveal where it really leads. When in doubt, call the Credit Union directly, or visit our website by typing the URL directly into your browser.

*Holiday Closing:*
